The Call To Worship (Responsive)

Pastor: Through Jesus Christ we have obtained access to the grace in which we stand, and we rejoice in our hope of sharing the glory of God.

People: More than that, we rejoice in our sufferings, knowing that suffering produces endurance.

People: And hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit which has been given to us.

Together: Let us worship God!

Hear our songs as songs from those who have sometimes found it hard to sing to You, not feeling the joyous urge to let our voices intone our praise to You. Hear our struggle to know Your will among our doubt and dissention. And when we leave here, send us out enriched by Your presence among us which we now invoke. Be present in our midst, O Lord, throughout this time of
